

CLASS KB– NURSERY

Welcome to our new nursery children.

Our topic for this half term will be:

ALL ABOUT ME AND WHERE I LIVE

Communication/ Language

As part of our topic, the children will talk about themselves, their families and other people in their community. We will learn new vocabulary linked to our topic, such as learning the name of equipment used in different job roles.

Mathematics

We will continue to work on number recognition, practical counting of everyday objects and counting and matching amounts up to 5 or 10. We will also learn new number rhymes.

In our Shape, Space and Measure we will continue to learn the names of basic shapes (circle, triangle, semi-circle, square, rectangle) and look at their properties, through shape hunts, shape games and by playing with shapes.

ICT

We will use activities on Purple Mash to consolidate our learning this term.

Lunchtime payments

If your child attends the beginning or end of the week sessions and you would like your child to stay for lunch on these days, you are required to pay £2 per day to cover the cost of supervision. This amount needs to be paid on the first day your child attends each week, either on a Monday morning or a Wednesday afternoon. Unfortunately if you fail to pay, your child will not be able to stay across lunchtime.
Thank you!

Understanding the World

We will talk about who is in our family and learn about the different roles of people in our community, such as police officers, fire fighters and how they help us.

Physical development

We will continue to work on developing our gross and fine motor skills through a variety of activities, including Cosmic Yoga, Go Noodle, threading and play dough.
We will also continue to encourage lots of self help skills, such as getting dressed and putting on our own shoes and coats independently.

Literacy

We will read the story 'We've all got Bellybutton's as part of our focus text.

We will also share lots of other stories linked to our topic.

We will continue to work on giving meanings to the marks we make when painting and drawing, with a focus of drawing our families. In phonics we will work on environmental and body sounds, and begin to look at rhyme.

Expressive Arts

We will work on developing story lines into our play.

We will also learn a Chinese dragon dance.

Our role play area will encourage the children to act out familiar experiences.

R.E.

We will learn about the Chinese New Year celebration and experience some of the traditions.

PSED

Our Jigsaw theme this half term is 'Dreams and Goals'. We will talk about what we are good at, and give ourselves goals to work towards.

Thank you!

Thank you so much for all the voluntary contributions we received last term. This money helped us to provide Christmas prizes for our games and books for our class library.
