

Headteacher: Mrs A Devaney

Wednesday 12th May 2021

Dear Parents/Carers

After the recent government announcement that more restrictions can be lifted from next Monday (17th May), I am sure you are looking forward to seeing more family and friends and getting closer to a return to 'normal' life.

However, I am writing to inform you that the Government Guidance for Primary Schools has **not** been altered. We will continue to operate our classes as individual 'bubbles' and maintain our staggered school day start and finish times. Children will still have separate play and lunchtimes and staff will continue to wear face masks when on the playground and around the school.

We will also need to maintain all social distancing guidelines and maintain our one-way systems in some areas of the school site. We also **strongly** urge all adults to continue to wear face coverings (unless exempt) while around the school to protect our whole school community.

We appreciate your ongoing support with all of these measures, that are helping us to keep everyone at St. James' as safe as possible.

Thank you

Yours sincerely

Mrs A. Devaney
